### **Dravidian University Conducted Campus Interview**

The talent of the students of Dravidian University, Kuppam has been proven once again. AppNData Technologies, which operates from Bangalore, has won the campus interviews conducted at the university were attended by UG and PG final year students. 20 students who performed best in the technical, personality (HR), and practical rounds were selected. The appointment letters were handed over to the selected students by the Vice-Chancellor of the university, Prof.M. Doraswamy.

Speaking on the occasion, the Vice-Chancellor said that Dravidian University's curriculum, research focus, and industry-university linkages are increasing the employment opportunities of students, and that in the future, steps will be taken to invite more prominent organizations to the campus and provide employment opportunities to students.

Registrar prof.V. Kiran Kumar said, "This is an important milestone in the history of university placements."He said that they hope that training and guidance will be strengthened to further highlight the talents of the students.

Placement Officer K. Ammulu, representatives of AppNData Technologies, Principal Vijaya Vardhini, and Vice Principal Harikrishna participated in this program. They congratulated the selected students and advised them to prepare further for future opportunities.

This selection program organized by the University Placement Department provides students with a rare opportunity to start a career in the software sector. The selected students expressed their happiness and thanked the University for the guidance provided.

Dr.P.S.Ganesh Moorthy, Public Relations Officer,  
Dravidian University, Kuppam.
